LIQUOR OR NO LIQUOR

Ogden Citizens Being Asked to Sign Petitions Against Canyon Licenses.
Petitions are being circulated in Ogden City as well as in Ogden Valley, asking that the county board deny all petitions for liquor licenses in the canyon. The movement has grown in strength since Monday last, and a good many signers have been secured. There are apt to be at least two requests for the privilege of selling liquor in the canyon—one at "The Oaks" and another at "The Grange Bar." It is said that the applicants have employed counsel and have been informed that the county board will deny them licenses so long as they pay the price for them and obey the laws. The citizens who hold that the board has no right to issue or deny licenses as it may see fit, are therefore making a strong protest.
